## Music Newsletter

There's been a lot going on musically at Heber; it's been an exciting week! We have been helping some of the Year 6 children rehearse their musical parts for Buggy Malone, and were extremely impressed with everything we've seen! So much work has been put into every aspect of the show, so please do come along and support. Singing has been the focus this week, with several singing groups visiting us at lunch and break time - the previously mentioned year 6 singers will be performing their 'Writing's on the Wall' cover in Merit Assembly this week as a practice for the Summer Concert. It's sure to be a stirring and inspirational performance, and we can't wait! In addition, Karaoke Club was back with a bang - though Year 4 were away on a trip, the year 3's gave it their all and demonstrated some amazing singing and dancing! We're pleased to announce that next week we will be having drum master classes in place of our usual singing assemblies, as a professional drummer is visiting Heber to show us everything he knows. We're very excited about this, but in the meantime hope you had a lovely weekend!

## Weekly Music Awards

**KS1:** Stevie and Helena in 2R, Marius in 1S, all members of recorder club. They exceeded all expectations by forming an ensemble and successfully integrating all the elements, namely drums, recorder and glockenspiel, for the summer concert performance. They worked cooperatively, supportively and compassionately together, culminating in a performance at the end of club. Well done!

**Lower KS2:** Ella and Clara in 4S who working independently, playing ukulele and glockenspiel, created their own arrangement of 'A Sailor went to Sea'. They performed their creation to the class to rapturous applause. Well done girls!

**Upper KS2:** Beatrice, Rose and Olive from 6D who have been practicing 'Writings on the Wall' from the James Bond film Spectre. They diligently learnt the words, perfected their vocal technique and surrendered lots of time and energy into perfecting their performance. This will reach fruition with a performance during merit assembly. Good luck girls and we can't wait to see your performance!

**Please do not double park outside the school. It is dangerous and poses a risk to children**

### Pick up at home time

If your child is being picked up by a different adult from usual, please fill in the form available at Reception. This will then be taken up to your child's teacher

Ava (Yr. 6) and Dorian (Yr 2) who have been suffering from Leukaemia are now back in school. Chicken Pox and Shingles pose a particular threat to children with leukaemia. PLEASE INFORM THE OFFICE IF YOUR CHILD OR ANY FAMILY MEMBER IS SUFFERING FROM EITHER OF THESE ILLNESSES

### Well done Marcie

On Sunday Marcie in 5T captained the first ever all-girl Colts team for Streatham and Marlborough cricket club (located at Dulwich common despite the name!). The club has a history stretching back 200 years and this is the first time an all-girl team had played. AND they won! They beat Dulwich (with an established girls' cricket cohort) by 44 runs. Marcie took two wickets and hit a 4, all on top of captaining the team - a page in history!

### Sports report from Mr Neve Dunn

#### Heber vs Millwall Rugby Club – Peckham Rye

This Thursday, June 29<sup>th</sup>, the sport was contact rugby, the venue was Peckham Rye Park and the opposition Millwall Rugby Club. The Heber team thought they were playing another local school, and were somewhat concerned when I stated that the opponents came from a rugby club and would be wearing gum-shields. We had three teams. First to play were our Y5s who impressed everyone with their commitment and bravery. They lost narrowly, but their performance against an older team was excellent. Sean, despite being one of the smallest on the pitch, was able to bring down the giants in the opposition. Next to play was our 'girl power' team who happily faced an opposition that had no girls. All the girls, and in particular Saffron, enjoyed the battle. They knocked the boys down to the ground and ripped the ball out of their hands with glee. They also lost narrowly but left their opponents rubbing their bruises! The final match was our more experienced Yr6 boys plus Saffron against Millwall Rugby Club. It was a mighty battle with no holds barred. It resulted in a 25-10 triumph to Heber! As someone who runs a rugby club I have an idea about players showing bravery and commitment in physical contact. The physical intensity of the matches was impressive. I was quite stunned by the Heber children being prepared to tackle their experienced opponents. Every child seemed to be possessed with a desire to throw their bodies into the battle. I believe they must feel very close to the school and want to perform well for their friends.

A

A fantastic team effort by all the children: Saffron, Sean, Moshood, Mamoud, Rose, Eleanor, Louise, Dylan, Joshua, Dallas, Jaydan, Celine, Ibrahim, Adam, Mohammed, Mac, Mya K, Anthony, Jaydeen, Teon, Dylan (Y5).

### Well done Year 4!!

Last Wednesday Year 4 went to a Bush Craft Day at the Winkworth Arboretum in Godalming. We received this email from the organisers "I know Katie and Jackie were both gushing to you about how good everyone was, but they asked me to reiterate this to you. I can assure you, as someone who is mainly in the office dealing with our customers and our leaders, they do not gush easily! So when they say that your school was one of the best they have ever experienced they mean it. The children's listening skills and respect and all-round behaviour were generally excellent, and they were polite and confident - several children came up to say thank you at the end totally unprompted. Please let them know we thought they were fantastic. And what really makes the difference for us on the day is the teaching staff. You all helped manage discipline, respected our leaders and were happy to do what they asked, stayed fully engaged and involved but without trying to take over. I'm reliably informed that all that does not happen as often as we would like! Many thanks, and I hope we see you again sometime. Kind regards, Mark Nelson, Wild Learning. "
