### Music Newsletter

Summer term has begun, and what an excellent week to start with! Our classes have all switched back again from Art, and we're amazed at just how much musical knowledge and terminology the children have retained. From canon to crotchet, from tempo to treble clef, it's all there!

On Thursday, during our lesson with Year 6, the children were treated by a few of their classmates to a special performance of an original composition. This was incredible to witness, and the band (who have called themselves Nylon) are very keen to perform to a larger audience. This may in fact materialise as a reality - there have been whispers and murmurs from within the music department that hint that a Summer Concert is in the works...

Kind Regards, The Heber Music Team
