Diary Dates

All diary dates for the year are available on our calendar on the school website. Please do take a moment to have a look.

Walk to School Week

This week is Walk to School Week and we will be entering the Walking Challenge Competition; we would, if possible like to get all of the children walking to school. The school with the greatest proportion of children walking to school will win the Golden Shoe Trophy and £150 worth of Active Travel Funding. School councillors will be in charge of collating the data. Let's try and have every child walking to school every day this week!!!

Please do not double park outside the school. It is dangerous and poses a risk to children

Music Newsletter

SATS week has been and gone, and from all of us in the music team, we'd like to thank all the year sixes for their hard work and dedication. You've done yourselves proud! In order to maintain the perfect atmosphere for the tests, we relocated the music lessons to the classrooms. We learned new songs and new harmonies, played accompaniments and lead lines, and played solo and ensemble: All from the comfort of our own classrooms!

The clubs have been progressing. Recorder & Glockenspiel club have been attracting quite a few impressed glances from the teachers after school, and Band Club has been improving rapidly with their ability to chop and change instruments together. Here's to another great week!

Weekly Music Awards

KS1: Robyn in 2R. Robyn showed great determination in her glockenspiel playing. She learnt a piece thoroughly then gave a confident performance to the rest of her class. Robyn - keep sharing all your hard work!

Lower KS2: to Davauan in 3D. Davauan showed strength, resilience and perseverance in his glockenspiel playing, culminating in a polished, sensitive and musical rendition of 'A Sailor Went To Sea'. Keep working diligently Davauan, you are showing great potential.

Upper KS2: Roxy in 5T. Roxy is always enthusiastic, determined and has a wealth of knowledge. She has a wonderful aptitude for and attitude to music, always willing to share her thoughts, responses, answers and performances.

Football Report 1: Mr Neve Dunn

Heber versus St Joseph's Catholic Primary. April 27th.

It is hard to imagine a school with less playground space than Heber. However, surrounded by the high-rise apartment blocks in Camberwell, near the Aylesbury Estate, lies St Joseph's Catholic Primary. Their playground felt like a swimming pool when the water has been emptied out. They welcomed us in a very friendly way and we felt relaxed. Our boys had control of the match from the start and were leading 2-0 at half-time. We felt confident that our superior fitness would show in the second half. Perhaps relaxation set in, perhaps our friendly hosts had lured us into complacency. Whatever, we certainly relaxed and the final score was 3-3. Congratulations to Wilf who scored his first ever goal for the school. Afterwards we were given juice and biscuits. Our opponents could not have been friendlier, and when they come to play us we must sort out some refreshments, which we will give to them before the match to make them lethargic!

Birthday Cakes: Reminder

Please remember that teachers cannot give out birthday cakes in class.

Football Report 2: Mr Neve Dunn

Heber versus Peter Hills Primary, Rotherhithe. May 11th.

Another match for boys only (unfortunately many of the schools do not have girl's teams). We drove through Peckham and onward to the 'island' of Rotherhithe. Our opponents are located at the top of the bend where the River Thames loops around Rotherhithe. Part of the old port of London where the wharves have been converted into exclusive flats. An area that has changed more than East Dulwich in the last 10 years. Nevertheless, it felt like a quieter place, no busy roads, no noisy shopping streets. The sound of the Thames lapping against school. Our opponents had a nice AstroTurf pitch and a touchline full of supporting parents. It was a boy's match but will still brought two girls in the team, Iris and Celine. They are good enough so our boys thought they should be included. This is a strange match to write about. It felt as though we had 80% of the possession and were constantly about to score. However mid-way through the second half we were drawing 1-1. Then we gave away a penalty; not due to a bad tackle or hitting the referee, but due to a defender running into the goal area! (This is a bad football rule that we will be talking to FIFA and the FA about). Leading 2-1 did not seem to embarrass our opponents. Indeed, they started to play better. Thankfully our goalkeeper, Sam R, was awake, despite spending most of the match with time to cultivate the vegetables in his allotment. His first save brought a fanfare of claps and woops from the opposition parents and players. Remember the shot that David Beckham scored from his own half at the beginning of his career? Well Sam R. saved that shot. His second wonder-save was pure Gordon Banks saving a header from Pele in the 1970 World Cup in Mexico. Please consult YouTube to understand this.

<https://www.youtube.com/watch?v=HNLam4RAbg8>. The match ended 2-1 to our opponents. It felt wrong and a bit unlucky. Nevertheless, the boys and girls came back to East Dulwich in good spirits.
